

# Agriculture in the Classroom NL

## “BEE Creative” Literacy Contest

*Agriculture in the Classroom NL* has partnered with the *NL Beekeeping Association* and *NL Eggs* to give students across Newfoundland and Labrador a chance to decorate a beehive in their school’s name.

Classes can submit up to three of literary works that combines the student’s literacy talent and skills with their knowledge of Agriculture in Newfoundland and Labrador (ex: poem, comic, story, etc). Contest runs April 12<sup>th</sup> to April 30<sup>th</sup>, 2021. **The winners will be announced Tuesday, May 4<sup>th</sup>, 2021.**

The winning classes get the opportunity to decorate the beehive anyway that they choose (school mascot, colors, etc.) Then, the beehive will be returned to the participating Beekeeper’s farm where it will be taken care of in the name of your school/class.

Hive updates will be provided by AITC- NL.

All contest entries can be submitted by tagging @AITCNL and @NLBees via twitter with the hashtag #BeeCreative21. All entries must be submitted by **April 30<sup>th</sup>, 2021.**
