

Agriculture in the Classroom NL is hosting it's first virtual thinkAG Career Expo, March 7th to 11th, 2022! We are so excited to introduce students to some of the wonderful people that work in agriculture! The goal of this event is to provide students the opportunity to explore diverse and abundant career options within agriculture and food, to provide interesting, high-energy and engaging student learning experiences that link to provincial outcomes, and to enhance and expand students learning and employability skills. Sessions will be recorded and available on AITC-NL's YouTube for future use.

There will be 10 sessions throughout the week. To sign-up for sessions and receive the zoom link, please send Teacher's name, School name, Grade, Number of Students in class to lisa@nlfa.ca

Time Slot	Monday March 7	Tuesday March 8	Wednesday March 9	Thursday March 10	Friday March 11
